WEA Adult Learning
Within Reach

Basic ICT

Basic ICT (Accredited)

Covering four main themes, Performing ICT Operations, Processing Information, Finding Information, and Keeping Information Safe, Learners are assessed against relevant learning outcomes and can gain SQA Core Skills ICT accreditation. Course materials are informed by discussions with employers and learners and wherever possible, are taken from or reflect the workplace or personal life of the learners. This ensures relevance of content and context and supports maximum learner engagement and success.

Learners: Staff looking to increase ICT skills and confidence

Duration: 40 hours

Accreditation offered: SQA accredited, SCQF level 3 or 4

Tailored workplace learning: To discuss how this course could be tailored for your members or employer's needs and to get a quote for course delivery, please contact Shazia Shahid via email sshahid@wea.org.uk or Ray McCowan R.McCowan@wea.org.uk Or Call **0131 226 3456**.
